

SYMEGA

POSSIBILITIES
UNLIMITED

INGREDIENTS THAT
INSPIRE INNOVATION

Driven by the needs of the food and beverage industry, Symega offers a range of tailor-made culinary solutions that help chefs save time and reduce cost without compromising on their passion for creation.

Developed by a team of highly skilled chefs and food technologists, Symega's culinary solutions deliver a customized balance of taste and food style. Offering unmatched quality and consistency, these authentic ingredients inspire innovation, add flavour, and augment the aesthetic appeal of your food - making each meal a memorable one!

SAUCES

Our cuisine-specific authentic sauces and dips are made from a combination of carefully selected, imported ingredients, and fresh hand-picked farm produce that ensure perfect flavour delivery and an extraordinary culinary experience. With a wide range of products in our library, we offer you a solution that eases the process of preparation and helps you save time.

**Barbeque Sauce | Honey Mustard Sauce | Jalapeno Salsa
Peri Peri Sauce | Pizza Pasta Sauce | Tamarind Sauce**

CHUTNEYS

Inspired by traditional recipes, Symega's chutneys are an authentic blend of fruits, vegetables and spices that carry a homely tang and add a flavourful zing to your dishes.

**Thai Chilli Garlic | Peanut Satay | Mint Chutney | Salsa Chutney
Szechuan Chutney | Pesto Paste**

DIPS

Dips have today become the perfect party food. Consistency is the success formula for the perfect dip, and we at Symega understand this very well. Our exotic and traditional dips are sure to leave a lingering taste, making you to want a bit more.

**Chilli Garlic Dip | Mango Chilli Dip | Momo Dip | Picante Salsa Dip
Spicy Peanut Dip | Thai Chilli Dip**

PASTES

Manufactured using sophisticated technology, our array of expertly compounded culinary pastes are a nifty addition to make a quick, scrumptious meal with your choice of vegetable or meat. This cooking solution gives your dish the right flavour and texture, leaving sufficient room for your creative explorations.

Chilli Paste | Ginger Garlic Paste | Hot Curry Paste | Kasundi Mustard Paste | Pani Puri Paste | Rasam Paste

WET MARINADES

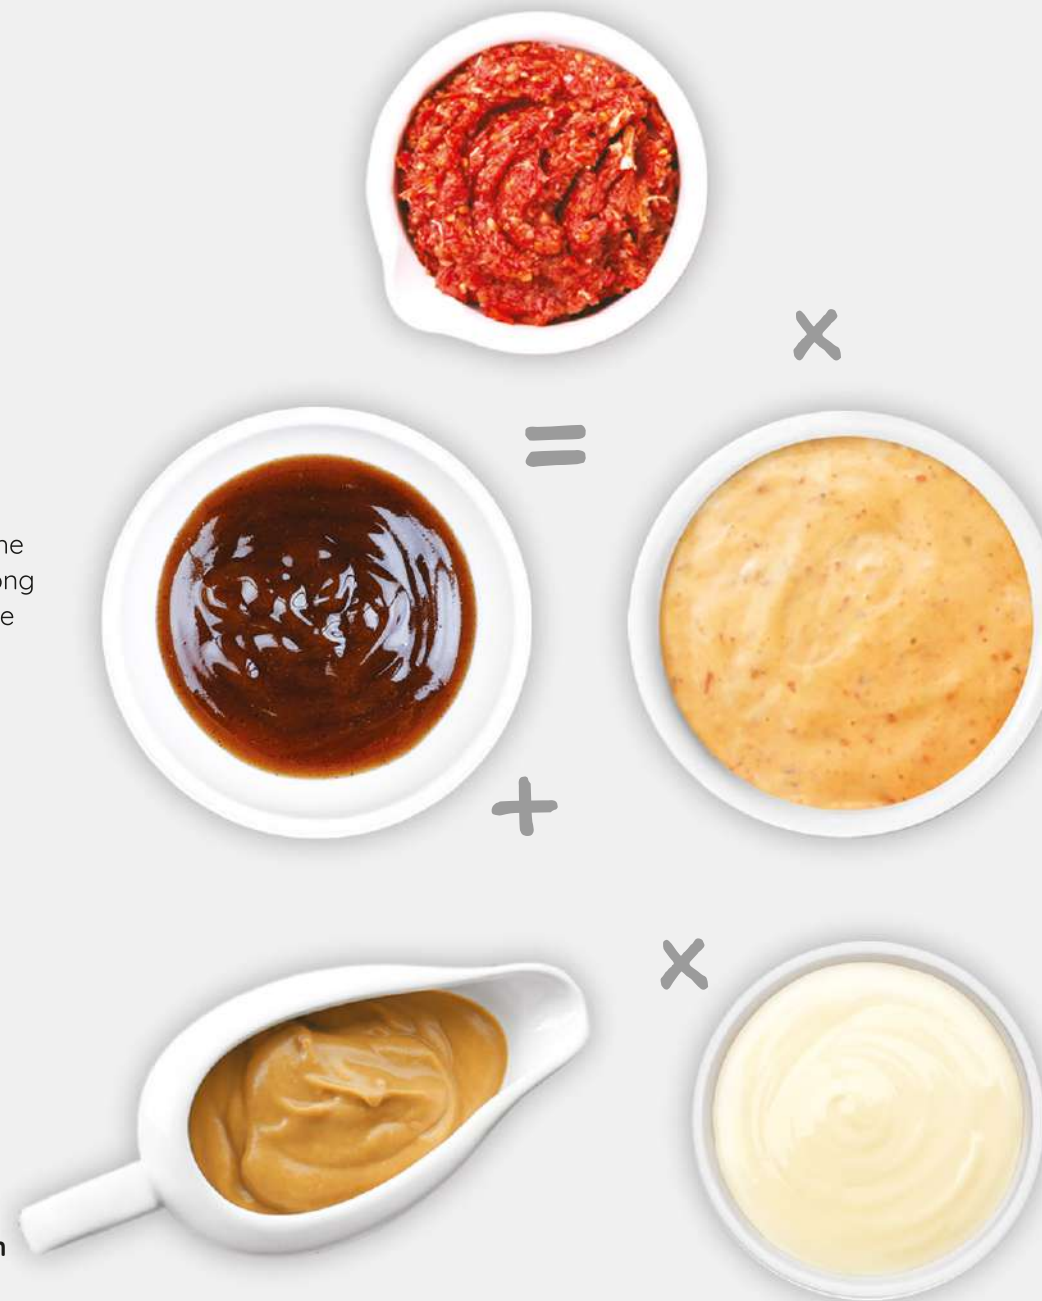

Skilfully prepared by experienced hands, Symega marinades form the ideal foundation for an authentic and traditional dish. Our decade-long expertise in identifying the perfect balance of ingredients ensures the penetration of flavours deep into the substrate, giving your preparations its quintessential flavour and aroma.

**Zaatar Marinade | Latin Citrus Chilli Marinade
Oriental Red Curry Marinade | Tandoori Marinade
Italiano Marinade | Hot Chilli Marinade**

GRAVIES

Symega's gravies are a simple yet flavourful culinary solution that deliver a rich mouth feel and perfect body to your dish. Developed by top-class chefs, these blends of exotic spices and seasonings infuse flavour and deliciousness to your curries and stews, and yet leave enough space for the innovator in you.

**Biryani Gravy | Chettinad Gravy | Makhani Gravy | Mirch ka Salan
Puliyogre Gravy | Roast Gravy**

DRESSINGS

Dressings today have become indispensable in most cold kitchens. Symega, with its selection of classic and trendy dressings, gives you a choice between emulsified, thick dressings and equally appealing choice light dressings, which are sure to meet versatile culinary applications.

**Creamy Jalapeno Dressing | Herby Garlic Dressing
Oriental Dressing | Ranch Salad Dressing | Sriracha
Chilli Dressing | Thousand Island Dressing | Twin Chilli
Vinegrette**

SPREADS

Symega brings you an extensive range of perfectly consistent spreads that are prepared with the finest ingredients, thus offering you the convenience to experiment and get creative with the other elements of your dish.

**Aam Panna Spread | Cheese Blend Mayonnaise
Chipotle Mayonnaise | Classic Pizza Spread | Mango
Spread | Toux Mayonnaise**

INFRASTRUCTURE

Complementing our expertise in product creation and innovation is our expansive manufacturing and packaging unit located in Kochi, Kerala. Equipped with automated machines such as Azo, Urschel and DCN JET COOK™ Steam Infusion System, our processing capabilities include equipments for sorting, blanching and shredding and lines for vacuum processing, emulsification and cooking that ensure impressive yields and faster turnaround. Our packaging lines including those from Mespac and Swanpack, offer pack sizes ranging from 8g sachets to 5kg bulk packs. The facility is certified by international quality standards and manufactures over 8400MT of culinary ingredients per annum, thus making it one of the largest and most versatile partners for your culinary requirements.

ABOUT SYMEGA

Symega Food Ingredients is engaged in manufacturing and marketing natural colours, flavours and savoury ingredients to food and beverage industries worldwide. With a focus on innovation, in-depth understanding of trends, technical expertise and a diligent team of food technologists, we create food solutions that expand the horizons of sensory experiences, redefine tastes and transform foods. With state-of-the-art manufacturing facilities in Kerala, warehouses across India, innovation centre in Bengaluru and reputed representatives for overseas markets, Symega covers the world. Our team of highly qualified professionals map consumer preferences, decipher customer expectations, create concepts and deliver surprises.

Today, we export to over 45 countries across 5 continents, serving over 40 application segments. With an installed capacity of 16000 MTPA for powders and dry mixes and 11000 MTPA for liquid ingredients across divisions, Symega caters to a wide range of ingredient requirements irrespective of the order volumes.

Whether you are an entrepreneur with a fresh idea or a market leader exploring your next big move in the food space, Symega is the right partner for you. It is our endeavour to play a pioneering role in the evolving culinary revolution, and offer our customers and their consumers possibilities unlimited.
